

SMISC Graduating Seniors Recognition and Membership Gift Program

After spending hours and hours practicing and devoting your life to figure skating, you are about to begin a new chapter in your life.

The St. Moritz Ice Skating Club would like to help you continue your involvement in skating when college begins. There are many ways **you** can stay involved in figure skating:

As a skater:

- Continue testing and/or competing
- Try something new: dance, synchro, theater on ice, adult competitions
- Intercollegiate Team Competitions- all levels
- National Collegiate Championships- Junior and Senior levels

As an official:

- Judging- test sessions and competitions
- Technical Panel Member
- Accounting
- Announcing
- Music Coordination

As a volunteer:

- Volunteer at local competitions
- Serve on your Board of Directors

The Club is here to help you continue your involvement in figure skating by providing opportunities, answering questions, and finding contacts for you, wherever you are headed.

In addition, the St Moritz Ice Skating Club would like to honor and recognize skaters who will be graduating from high school for their **lasting** and **continuing** involvement in the sport of figure skating. A four year membership gift will be given to those committed to staying involved in our sport.

Please submit a short essay (1 page) as to how you personally plan on continuing your involvement in figure skating, and how the SMISC can help you stay involved. The SMISC will check in with you periodically and provide assistance and contacts when possible to help you stay involved. Upon review of your essay, in return for your continued involvement and in honor of your achievements, the SMISC will give you the gift of a Collegiate USFS membership through SMISC, that will last the next four years!

The deadline for submission for the 2010 graduating class is **July 1, 2010**. For questions or to submit your essay, please email:
