Clarification for Junior and Senior Dance (couples):

In accordance with the decision of the ISU Council and U.S. Figure Skating, Junior and Senior level dance will no longer consist of Compulsory Dance and Original Dance segments. These have been replaced by the Short Dance. Skate St. Moritz will therefore offer these levels the Short Dance event instead of the Compulsory Dance and Original Dance events.

For online entry, please enter the Original Dance and you will automatically be put in the Short Dance event. Paper entry forms have been updated to reflect this change.
